- A. Serves as Social Worker for clients on the ICF-MR and ICF-DD units.
1. Actively involved in admission activities specific to the respective caseload as directed.
 2. Assists the clients, family members/guardians, and MDC staff/Team members in developing and maintaining effective, therapeutic relationships by assessing ambiguous circumstances. They will assess family and community input to develop individualized solutions.
 3. Notifies family members/guardians of documented Incident Reports, allegations of abuse/neglect and other significant information as necessary. Documents these notifications on appropriate forms. Assist in research of allegations.
 4. Coordinates activities, including talking and providing information to prospective guardians, gathers information and completes documents as directed by an Attorney for the State of Montana relative to obtaining full or limited legal guardians. May be required to testify in court.

AN EQUAL OPPORTUNITY EMPLOYER

ESSENTIAL JOB FUNCTIONS: - continued

5. Maintains written and/or telephone contact with appropriate individuals to inform them of scheduled Individual Program Plan/Individual Education Plan meetings, meetings of the Interdisciplinary Teams (IDT), and clients' progress, and encourages participation by all to ensure appropriate planning and treatment for clients. Notifies appropriate individuals of changes in meetings, progress, etc.
 6. Assist clients preparing for discharge who have needs for Social Security Cards, Birth Certificates, Identification Cards, Food Stamps, Section 8 Housing, and other needs that arise. Completes application forms for Social Security and Railroad Benefits and completes periodic reviews of SSI benefits. Coordinates with family members and funeral homes to arrange for pre-paid burial contracts.
 7. Develops individualized training programs and assists clients in managing their finances and approves client expenditures.
- B. Gathers information from numerous sources including family, past providers, medical and mental health providers and others to complete a social history that involves determining the importance of the information which is used by the multi-disciplinary team to determine a diagnosis and training needs.
1. Researches and documents pertinent social history information on each client.
 2. Prepares written Social History and other reports in established formats for use by the IDT.
 3. As an active professional member of the clients' Interdisciplinary Team assists the Team in designing and implementing the Individual Treatment Plan through the identification of needs.
 4. Assists in the development of programming to meet psycho-social needs of clients and, in providing services to modify and improve the social environment in which the clients live by providing training as directed by the Interdisciplinary Team.
- C. Co-facilitate group discussions in conjunction with licensed therapists.
1. Assists the primary therapist in the development of effective group therapeutic strategies and assists the therapist in group discussions.
- D. Gathers and assembles information to be used in transition and placement activities. This is based on an extensive amount of information to develop an individualized plan. Develops a Community Placement Profile for all clients on the caseload prior to the 90-day and annual Individual Program Plan meetings. Updates this information as necessary.
1. The Social Worker completes a Community Placement Profile for a referral packet that will be used by the Developmental Disabilities Program to determine if an individual is appropriate for openings in community services across the state.
 2. Upon completion of certification training completes the Montana Resource Allocation Protocol (MONA) with team as directed. Explains the purpose and process of utilizing the MONA to family members. Inputs data obtained from family and Team members into the MONA database to generate a projected cost plan for community services.
 3. Following approval of a cost plan for services, the Social Worker assists the client in transition activities as follows:
 - a. Solicits proposals from appropriate community providers in specified areas where the individual would like to live.
 - b. Reviews proposals with Team and arranges visits with potential providers, both at MDC and in the community.
 - c. Coordinates family involvement in the transition process.
 - d. Assists the client and family/guardians in choosing a service that will best meet the needs of the individual.
 - e. Notifies community providers when an individual accepts a proposal.
 - f. Participates in transition meetings and completes transition duties as assigned.
 4. Coordinates placement activities including accompanying the client on the placement trip. Overnight travel may be required.
 5. Gathers discharge information and completes discharge summaries when clients are placed. The Social Worker also completes a discharge summary when a client transfers between ICF-MR and ICF-DD.

ESSENTIAL JOB FUNCTIONS: - continued

- E. Insures the proper care and treatment of all assigned clients.
 - 1. Advocates for the clients in the protection of constitutional and statutory rights and other rights according to DPHHS/MDC policies and procedures.
 - 2. Advocates for the clients in the protection of constitutional and statutory rights and other rights according to DPHHS/MDC policies and procedures.
 - 3. Establishes and maintains a schedule for regularly visiting residences, classrooms and all other areas of the clients' involvement to observe care and treatment.
 - 4. Serves on various committees on a rotating basis as assigned.
 - 5. Provides input to the Client Services Director in regard to MDC policies and procedures as they relate to clients' rights, advocacy, and placement.
 - 6. As part of the Interdisciplinary Team assists in the team in the development of effective training and treatment strategies when clients are presenting dangerous or self-harm behaviors.
- F. Performs all work tasks in a proper and safe manner following established policies, general safety rules and safe operating procedures.
- G. Cooperates with other staff and demonstrates respect for other employees, which contributes to a positive and efficient working environment.
- H. Complies with Department, Division and Unit policy and/or direction and consults, as needed or required, with supervisors to obtain clarification or address concerns.
